FIREARMS LEGAL SERVICES INSURANCE COMPANY

INSURANCE POLICY

The provisions in the following pages hereof form a part of this Policy and are fully incorporated herein over the signatures appearing below.

INTRODUCTION

This is a policy of insurance by and between Firearms Legal Services Insurance Company, (also referred to as "the Company"; "our"; "we"; or "us") and the Insured (also referred to as "you" or "your"), for the Legal Services Benefit and, if applicable, Other Benefits provided herein. This Policy constitutes a legal agreement between you and the Company detailing the Legal Services Benefit and Other Benefits. This Policy only provides Legal Services Benefit and, if applicable, Other Benefits to an Insured that uses a firearm as provided for herein, and subject to all the terms and conditions of this Policy. Please read this Policy carefully.

DEFINITIONS

For the purposes of this Policy, the following definitions apply:

“Applicable Law” – means all federal, state and local laws, rules and regulations applicable to the possession or use of a firearm, use of force, Use of Firearm Incident, or the Legal Services Benefit and Other Benefits provided under this Policy.

“Contracting Attorney” – means a licensed attorney with whom we contract to provide the Legal Services Benefit to an Insured under this Policy.

“Facilitate” or “Facilitation” – means coordinating the obtaining of benefits from federal, state or local governmental entities via phone, fax or email on behalf of an Insured involved in a Use of Firearms Incident. Facilitation of benefits by us does not guarantee an award of any benefits from any government entity. An Insured’s failure to assist us in any Facilitation will waive the Insured’s right to claim benefits that require Facilitation by us.

“Firearm” – means a firearm which an Insured Legally Possesses at the time and place of a Use of Firearm Incident.

“Legally Possesses” – means possession that is in strict compliance with Applicable Law.

“Legal Services Benefit” – means legal services described in Sections 2.1 and 2.2 below and provided by a Contracting Attorney to an Insured arising from a Use of Firearm Incident.

“Insured” – If your Coverage Plan as stated in the Declarations is for Individual Coverage or Premium Individual Coverage, Insured means the Primary Insured who purchased the Policy. If your Coverage Plan as stated in the Declarations is for Premium Family Coverage, then Insured means the Primary Insured, the Primary Insured’s spouse, and any minor children under the age

of eighteen years who are permanent residents in the Primary Insured's home at the time of a Use of Firearm Incident.

"Multi-State Benefit" means the benefits described in Section 2.3 below.

"Other Benefits" – means the other benefits described in Section 2.4 below.

"Primary Insured" – means the individual listed in the Declarations on the Effective Date of this Policy and at the time of a Use of Firearm Incident.

"Self-Defense" – means an act of self-defense as defined by Applicable Law when a Use of Firearm Incident arises out of a Insured's fear of severe bodily injury or death.

"Use of Firearm Incident" – means any incident where an Insured either discharges or displays a Firearm for the purpose of using the Firearm in Self-Defense or as a weapon to stop a threat of serious bodily harm to an Insured or others, or the protection of Insured's lawfully owned or possessed property, but only to the extent the use of the Firearm in that manner is allowed by Applicable Law.

COVERAGE AGREEMENTS

For all coverage plans, the Company shall provide the Legal Services Benefit described in Sections 2.1 and 2.2 herein to you in the event of a Use of Firearm Incident that occurs during the term of this Policy.

If the Premium Individual Coverage is purchased by the Primary Insured as indicated by a premium charge in the Declarations, then the Company shall provide both the Legal Services Benefit and the Multi-State Benefit described in Section 2.3.

If the Premium Family Coverage Plan is purchased by the Primary Insured as indicated by a premium charge in the Declarations, then the Company shall provide the Legal Services Benefit, the Out of State Benefit and the Other Benefits described in Section 2.4 herein in the event of a Use of Firearm Incident that occurs during the term of this Policy .

2.1 Legal Services Benefit (Applicable to all Coverage Plans).

We will provide you the Legal Services Benefit described in this Section 2.1 by a Contracting Attorney for a criminal investigation or proceeding or civil lawsuit initiated against you arising from a Use of Firearm Incident. This legal representation shall extend to and include a trial (including retrials) on the merits in a court or tribunal of competent jurisdiction. Legal Service Benefit pays the legal fees of the Contracting Attorney. Legal Service Benefit does not include court costs, court reporter fees or other fees, costs or expenses, nor does it include appeal of a trial court's judgment nor any legal fees or other costs associated with appeals of a trial court's judgment. Nothing in this Policy shall be construed to limit your right to retain, at your own expense, an additional attorney to advise or represent you.

2.2 Legal Services Benefit Hotline (Applicable to all Coverage Plans).

You may call the legal services hotline in the event of a Use of Firearm Incident for legal advice by a Contracting Attorney following a Use of Firearm Incident. The Hotline number is:

1 – 844 – 357 - 4911

The legal services hotline is only to be used in the event of a Use of Firearm Incident by you and shall not be used for any other purpose. If you use the legal services hotline for any purpose other than as permitted in this Policy, you may be charged fees or costs by the Contracting Attorney which will not be covered under this Policy.

Do not call the legal services hotline from a phone with a blocked number because it may be more difficult to verify you as an Insured; and, should the call be interrupted by a phone or provider issue, the Company or the Contracting Attorney may not be able to call you back.

2.3 Multi-State Benefit (Available only to Premium Individual and Family Coverage Plans).

Coverage for the Legal Services Benefit and Other Benefits (if the Premium Family Coverage is purchased), to the extent allowed by Applicable Law, shall be provided in the event a Use of Firearm Incident occurs outside of Florida and during the term of this Policy. All other Limitations and exclusions contained in the Policy apply.

2.4 Other Benefits (Available only to Premium Family Coverage Plans).

If the Premium Family Coverage Plans are purchased by the Primary Insured as indicated by a premium charge in the Declarations, we will provide you the Other Benefits described in this Section 2.4(a) through (d) in the event of a Use of Firearms Incident which occurs during the term of this Policy:

2.4(a) Expert Witness/Investigator Fee.

We will pay up to a total of \$5,000 towards the cost of retaining necessary expert witnesses or investigators. The Contracting Attorney will engage the expert witness or investigator pursuant to standard terms of engagement that we will provide. All expert witnesses and investigators shall be selected from our list of approved providers. The expert witness fees, costs and expenses covered hereunder are exclusively for an expert to testify about the reasonableness and justification of the use of force or deadly force under Applicable Law. You may employ any other expert witness or investigator for any other purpose, however, this Policy does not provide any coverage for any expert witness or investigator fees, costs and expenses that are not used to investigate or opine on the reasonableness and justification of the use of force or deadly force under Applicable Law.

2.4(b) Bail Bond.

We will provide an Insured a bail bond from a licensed bail bond service with a face value up to \$50,000. You will be responsible for meeting all other requirements to obtain a bond, including requirements for a bond of any larger size. Neither the Company nor the Contracting Attorney agrees to act as surety for any Insured.

2.4(c) Incident Scene Clean Up.

We will Facilitate on your behalf the clean up of any biological hazards (i) at an Insured's place of residence if the residence was the scene of a Use of Firearms Incident, or (ii) away from an Insured's residence if the Member is legally responsible for cleaning up biological hazards at the scene of a Use of Firearms Incident. If we are unable to Facilitate such a benefit, then we will pay for the reasonable and necessary cleaning of biological hazards at a Use of Firearms Incident up to a maximum clean up cost of \$2,500.

2.4(d) Firearm Confiscation.

In the event your Firearm is confiscated by law enforcement as a result of the Use of Firearm Incident, we will Facilitate the recovery of your firearm on your behalf. If, after exhausting all reasonable efforts to obtain the recovery of your firearm, we have been unable to do so within one year of the date your firearm was confiscated, we will provide you with a replacement firearm of the same kind and quality based on the fair market value of the confiscated firearm as of the date of its confiscation, but not to exceed \$1,000 in total value, and less any value attributable to custom modifications and accessories.

2.5 Alternative Legal Service Benefits

If we are unable to find a Contracting Attorney to represent you, or the Contracting Attorney is or becomes disqualified or otherwise unable to perform the required legal services, then we shall pay the reasonable fees of a qualified attorney which you select.

CONDITIONS FOR COVERAGE

As a condition precedent to obtaining or continuing coverage for either the Legal Services Benefit, Multi-State Benefit, or Other Benefits under this Policy, you must first comply with the following provisions:

4.1 Prompt Notice of Claim.

You must promptly notify us of a Use of Firearm Incident. Failure to notify us promptly will relieve us of any and all obligation to provide a Legal Service Benefit, Multi-State Benefit, or Other Benefits if the delay in notification in any way prejudiced our interests, including but not limited to incurring legal fees in excess of what would have otherwise been incurred but for the delayed notice. We will have no obligation to provide you with Legal Service Benefits, Multi-State Benefit, or Other Benefits until such notice is provided. We have no obligation to reimburse, indemnify or pay for any expense, cost or fees that you may have incurred prior to the date of notice.

A Request for Legal Services Benefit, Multi-State Benefit, or Other Benefit may be initiated by calling our emergency hotline or phoning **1-844-357-9400**, or through email at **members@firearmslegal.com**.

4.2 Cooperation.

You must fully cooperate with the Contracting Attorney in your defense at all times. You must inform the Contracting Attorney of any notification or service of process in a timely manner, but no later than 48 hours after receipt; as well as attend any and all meetings requested by the Contracting Attorney, court dates, court hearings, and other official appearances in connection with criminal charges or a civil action filed against an Insured in connection with a Use of Firearm Incident. You must keep all appointments with the Contracting Attorney and, if an unexpected event occurs that prevents keeping an appointment, you must immediately notify the Contracting Attorney. You must promptly inform the Company and, if a Contracting Attorney has been assigned, the Contracting Attorney of all changes in your home address, e-mail address and telephone number. Failure to notify us of these changes may affect your case. Cooperation as described herein is required in order for an Insured to continue receiving any coverage under this Policy.

TERM AND TERMINATION

5.1 Term of This Policy.

The term of this Policy shall be for the annual period stated in the Declarations unless terminated sooner pursuant to this Section 5.

5.2. Voiding Policy by Primary Insured.

5.2(a) Notice Required

The Primary Insured may void this Policy and receive a full refund of the premium paid by providing us with written notice of the Primary Insured's intent to void the Policy not later than the tenth day after the date the Company delivers the Policy. Delivery may be by Email or first class mail. If delivery is by first class mail, then the date of delivery is the date the Company places the Policy in the custody of the United States Postal Service as evidenced by a post mark on the Policy envelope.

5.2(b) Pending Claims

If any Insured has (i) filed a claim with the Company during the ten day period referred to in Section 5.2(a), or (ii) has been in any way involved in a Use of Firearms Incident during the ten day period referred to in Section 5.2(a) but has not yet reported the claim to the Company, then the Primary Insured is not entitled to void this Policy pursuant to this Section 5.2.

5.3 Other Policy Termination by Primary Insured.

If not voided under Section 5.2(a), the Primary Insured may terminate this Policy at any time by providing us with written notice of the Primary Insured's intent to terminate the Policy. The notice must state the requested date of termination. The requested date of termination cannot be prior to the date of the notice.

5.4 Cancellation by Company.

We may cancel this Policy by mailing a written notice of cancellation to the Primary Insured's last known address according to our records at least forty five days prior to the date of cancellation, except (i) that when cancellation is for non-payment of premium, the Company need only provide ten days notice, and (ii) if cancellation for reasons other than non-payment of premium, occurs within the first ninety days from inception, the Company need only provide twenty days notice. We cannot cancel your coverage once your Policy has been in effect for ninety days, or for nonpayment of premium, or if there is a substantial change in the risk covered by the Policy.

5.5 Effect of Termination or Cancellation

In the event of Termination of this Policy by the Primary Insured or the cancellation of this Policy by the Company:

5.5(a) Cessation of Benefits

The Legal Services Benefits, Multi-State Benefit, and/or the Other Benefits provided under this Policy shall no longer be available to you. If, at the time of termination or cancellation, there are open claims, the Contracting Attorney shall be authorized by the Company to complete his or her representation in regard to such claims, and the Company shall continue to pay for applicable Other Benefits arising out of Use of Firearms Incidents that occurred prior to the date of termination.

5.5(b) Return of Premium

You shall not be entitled to a refund of any premiums that have been earned by us. Premiums are earned pro-rata over the Policy period. Premiums are earned by the Insurer solely by the progression of time, thus Premiums are earned even if: (i) no Insured has an active claim pending; or (ii) no Insured has used any services or received any benefit under the Policy. However, any monthly premiums that have not been earned by us shall be returned to the Primary Insured. Should you discharge a Contracting Attorney as to any active claim without terminating the Policy, no refund of earned premiums shall be due to the Primary Insured.

6.3 Contracting Attorneys.

6.3.1 Representation

Contracting Attorneys providing professional services for an Insured under the terms of this Policy are not agents or employees of the Company. Any Contracting Attorney who renders professional services to you under this Policy is required to maintain the attorney-client relationship with you, and is solely responsible to you for all professional services provided. It is within the discretion of the Contracting Attorney and you to determine how claims or defenses pertaining to a Use of Firearm Incident are to be handled. Neither the Company nor the Contracting Attorney guarantees the outcome of any legal proceeding. Nor is the Company a guarantor as to the honesty, proficiency, accuracy, or resourcefulness of the Contracting Attorney. The Conference may occur telephonically or in person at the offices of the Contracting Attorney, or such other location mutually agreed by the Company and you.

6.3.4 Additional Recourse

You also have the right to file a grievance with the Florida Bar Association concerning any Contracting Attorney's conduct. 6.4 Other Insurance.

In the event you have insurance or other coverage or benefits such as employer, union or association provided benefits that provide coverage or other benefits to pay for services identical or substantially similar to the Legal Services Benefit, Multi-State Benefit, or Other Benefits described herein, then that coverage or other benefit shall be primary and the payments for the Legal Services Benefit and Other Benefits hereunder shall be excess of and secondary thereto. You agree to provide us information about any such coverage or benefits that we reasonably request, including copies of any applicable insurance policies.
