PREAMBLE

This document is a Membership Agreement by and between Firearms Legal Protection of _____ LLC, a Texas Limited Liability Company (“Firearms Legal Protection”) and _____ (“Member”), for the Benefits that the Member has chosen with the purchase of membership in Firearms Legal Protection. This Membership Agreement, which includes the Terms of Use that govern Member’s participation in Firearms Legal Protection and its website (www. Firearmslegal.com), constitutes a legal agreement between Member and Firearms Legal Protection detailing the Benefits provided within this Agreement. Firearms Legal Protection is a prepaid legal service company that provides Benefits described within this Membership Agreement to assist Members should a Member have a Use of Weapon Incident or be the subject of an Extreme Risk Protection Order according to Applicable Law where the incident occurred or the order was issued. Firearms Legal Protection is not an insurance product nor a reimbursement plan. All Benefits are paid directly to the contractor of services on behalf of the Member by Firearms Legal Protection. There is no contribution, deductible or co-payment by the Member other than the cost of the Membership Plan chosen by the Member.

MEMBERSHIP PLANS

Firearms Legal Protection offers three Membership Plans.

- 1. Individual Plan:** Members who choose and pay for this Plan will receive Legal Services Benefits for a Use of Weapon Incident that occurs in the Member’s state of residence, as well as the Extreme Risk Protection Orders Benefit (i.e. Red Flag Laws) and the Expungement Benefit only in the Member’s state of domicile. No other Benefits described in this Membership Agreement will apply or be available to Members who purchase the Individual Plan.
- 2. Premium Membership Plan:** Members who choose and pay for this Plan will have access to all of the Benefits listed in this Membership Agreement in all 50 states for a Use of Weapon Incident under Applicable Law of the state where the Use of Weapon Incident occurred.
- 3. Family Membership Plan:** Members who choose and pay for this Plan will have access to all of the Benefits listed in this Membership Agreement in all 50 States for a Use of Weapon Incident under Applicable Law of the state where the Use of Weapon Incident occurred. The Family Membership Plan also extends Benefits to the spouse of the Member, and any minor children of the Member that are 17 and under and which permanently reside in the home of the

Member. If the Benefits are extended to such spouse and children, they will be deemed Members of Firearms Legal Protection under this Membership Agreement.

BENEFITS

Applicable Benefits will be provided to a Member in the event a Use of Weapon Incident occurs to the extent allowed by Applicable Law, or in the event an Extreme Risk Protection Order is issued to a Member, during the term of this Membership Agreement and while this Membership Agreement is in effect. A request for any Benefit may be initiated by calling the attorney answered emergency hotline number provided to the Member on his or her membership card. The emergency hotline is only to be used in the event of a Use of Weapon Incident by a Member or the issuance of an Extreme Risk Protection Order against the Member; it is not to be used for any other purpose.

LEGAL SERVICES BENEFIT

Firearms Legal Protection will pay for and provide to the Member a Contracting Attorney for a criminal case charged by a governmental agency against the Member arising out of a Use of Weapon Incident, and a civil lawsuit served against a Member arising out of a Use of Weapon Incident. Contracting Attorney's legal representation shall extend to and include a trial (including retrials) on the merits in a court or tribunal of competent jurisdiction. The Legal Service Benefit pays the legal fees of the Contracting Attorney. There is no maximum limit that Firearms Legal Protection will pay toward the legal fees of a Contracting Attorney for this Benefit. The Legal Service Benefit does not include court costs, court reporter fees or other fees, costs, or expenses. The Legal Service Benefit does not include legal fees incurred to handle an appeal of a trial court's judgment nor any costs associated therewith. Nothing in this Membership Agreement shall be construed to limit the right of a Member to retain, at his or her own expense, an additional attorney to advise or represent the Member.

The Member must call the legal services hotline in the event of a Use of Weapon Incident to report a Use of Weapon Incident. The hotline will be answered by an Attorney following a Use of Weapon Incident. The Hotline number is:

1-844-357-4911

The legal services hotline is only to be used by the Member in the event of a Use of Weapon Incident and shall not be used for any other purpose. The Primary Member will be charged in accordance with the billing terms in effect at that time. The Primary Member may pay the annual fee in advance or pay on a monthly basis, and the credit card used will be charged accordingly. If the Primary Member does not make a monthly payment or the required payment on automatic renewal, the Primary Member will have a grace period of thirty-one (31) days to make that payment before this Membership Agreement is terminated.
